N O R F O L K V E T E R A N S H O M E

NEBRASKA DEPARTMENT OF VETERANS' AFFAIRS

From The Desk of Jerry Eisenhauer, NVH Administrator

Greetings,

It is hard to believe that the first month of the New Year is behind us. We are continuing to prepare for our Mock Survey in preparation for our upcoming annual USDVA survey in March. In addition, the State Fire Marshal's deputy paid us a visit recently to conduct our annual Life Safety Code inspection. Thank you to all our teammates for their efforts every day to ensure our members' safety.

We have also had good fortune on the Covid front. As of the date I am writing this article, we have no Covid positive members or teammates! We are still very much in the influenza season window, and it is very important that if you are not feeling well or symptomatic, we would ask that you postpone visiting.

We have three students enrolled in our Nurse Aide Training Course. We look forward to these students completing testing and starting their training.

January 23-27 is designated as National Activity Professionals Week. We are very fortunate to have six caring and dedicated individuals working in our activities department. In my humble opinion, I feel we have the finest activity program in the state. Our activity program plays a vital role in maintaining the quality of life our members enjoy through keeping them engaged and entertained. A quality activity program is much more than just bingo. Thank you, ladies, for all you do!

I will be traveling to Alexandria Virginia the first week of February to attend the National Association of State Veterans Homes winter conference. This is a wonderful opportunity to interface with other administrators from across the country and share ideas, concerns and hear top notch national speakers.

Sincerely,

Jerry Eisenhauer
Administrator
