

THE NVH OBSERVER

N O R F O L K V E T E R A N S H O M E

STATE OF NEBRASKA - DHHS

From The Desk of Jerry Eisenhauer, NVH Administrator

Greetings,

I hope everyone enjoyed a safe and relaxing Fourth of July. Again this year, Norfolk Veterans Home was treated to a wonderful aerial display of bombs bursting in air and rockets red glow. We celebrated the fourth on the evening of June 27, and Heroes Park served as the venue for the event. Many thanks to our fine group of pyrotechnic experts from the American Legion Riders and volunteers from the Big Bang Boom Committee for donating their time and talents to delight members, teammates and families. There is a lot of planning and prep work that goes into this event. Many thanks to our wonderful activity and nursing departments for all of their assistance getting our members to and from Heroes Park.

Fourth of July celebrations also offers us another opportunity to reflect upon the many freedoms and privileges we enjoy as Americans. That freedom has been and continues to be protected by the selfless service of men and women in uniform. We have learned throughout our history that we can depend upon young Americans to step forward when our country calls.

Nebraska Department of Veterans' Affairs Director John Hilgert along with several members of our agency staff paid a visit to NVH on June 29 and 30 to conduct what is called an "Employer in Residence" tour. The purpose of their visit was to meet with teammates on all three shifts and gather feedback regarding their overall work experiences from onboarding to present.

The activities department has been busy with offsite outings and our members have been able to enjoy many opportunities for food and fellowship already this summer.

Heroes Park is "open for business" and you are encouraged to visit and take your loved one out to enjoy this wonderful venue! Please remember when taking a loved one out on one of our many hot, humid days that everyone drinks plenty of water and have applied sunscreen.

Sincerely,

Jerry Eisenhauer
Administrator
