Under Title VI of the Civil Rights Act of 1964 and related statutes, the Central Nebraska Veterans' Home is committed to ensuring that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, denied the benefits or services of, or be otherwise subjected to discrimination in all programs, services, or activities administered by the Central Nebraska Veterans' Home.

Date

All entities who receive Federal Transit Administration (FTA) grant dollars either directly from the FTA or through the Nebraska Department of Transportation (NDOT) are subject to the Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the U.S. Department of Transportation's implementing regulations. This manual provides technical assistance on Title VI compliance requirements.

1 Introduction and Overview

1.1 Plan Statement

The Central Nebraska Veterans' Home is one of four state veterans homes operated by the Nebraska Department of Veterans' Affairs. The agency operates a demand response transit program serving veterans in Kearney, Nebraska. As a condition of receiving federal financial assistance to operate these services, the agency ensures that its programs, policies, and activities comply with Title VI of the Civil Rights Act of 1964. The following program details how the Central Nebraska Veterans' Home meets the Title VI requirements set forth in the Federal Transit Administration (FTA) Circular 4702.1B.

The Central Nebraska Veterans' Home receives federal FTA funding through the Nebraska Department of Transportation (NDOT) Transit Section. NDOT administers the Central Nebraska Veterans' Home's FTA transit service funding and provides all Title VI program oversight for the Central Nebraska Veterans' Home.

1.2 Policy

Section 601 under Title VI of the Civil Rights Act of 1964 states the following:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefit of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

The Central Nebraska Veterans' Home is committed to ensuring that no person, on the basis of race, color, or national origin, shall be excluded from participation in or subjected to discrimination under its programs or services or be denied the benefits of the level and quality of transit services provided by the agency's employees, affiliates, and contractors.

1.3 Authorizing Legislation

Most federal transit laws are codified at Title 49 United States Code Chapter 53. Authorizing legislation is substantive legislation enacted by Congress that establishes or continues the operation of a federal program or agency. FTA's most recent authorizing legislation is the Bipartisan Infrastructure Law, signed into law on November 15, 2021.

1.5 Governing Body

The Central Nebraska Veterans' Home is governed by the Veterans Home Board and the Nebraska Department of Veterans' Affairs; however, the Title VI Program has been delegated to the Facility Administrator of the Central Nebraska Veterans' Home.

1.6 FTA Circular 4702.1B

The Central Nebraska Veterans' Home's Title VI Plan has been developed to address FTA's Title VI requirements and oversight responsibilities. The plan follows the guidelines set forth in FTA Circular 4702.1B.

2 General Reporting Requirements

2.1 Assurances

The Central Nebraska Veterans' Home annually submits its Certifications and Assurances to NDOT. NDOT collects the Central Nebraska Veterans' Home's Title VI Assurances prior to passing through FTA funds.

2.2 Prepare and Submit a Title VI Program

The Central Nebraska Veterans' Home submitted its previous Title VI Program to the NDOT Civil Rights Office in March 2020. The current Title VI Program is intended to fulfill submission requirements for the 2026–2029 reporting period.

The Facility Administrator will review and approve the current Title VI Program prior to its submission to NDOT. This approval is documented via the signature line on the cover of this Title VI Program, and subsequent documentation will be submitted with the Central Nebraska Veterans' Home's Title VI Program. The effective date of the Program will be the date of the resolution.

The Central Nebraska Veterans' Home will submit its Title VI Program to the NDOT Civil Rights Office for review and approval.

2.3 Title VI Notice

The Central Nebraska Veterans' Home complies with Title VI and notifies the public of the protections against discrimination afforded to them by Title VI. The notice is posted in the following public locations: (a) on the Central Nebraska Veterans' Home website (<https://veterans.nebraska.gov/cnvh>); (b) at a visible public location at the Central Nebraska Veterans' Home's main office; and (c) at a visible location in transit vehicles. This notice has been translated in accordance with NDOT's limited English proficiency (LEP) plan.¹ See **Appendix A** for a copy of the Central Nebraska Veterans' Home's Title VI notice to the public.

2.4 Title VI Complaint Procedure and Complaint Form

The Central Nebraska Veterans' Home has adopted the NDOT procedures and forms for investigating and tracking Title VI complaints of discrimination. The following complaint procedures are patterned after the FTA's requirements and guidance.

All FTA-related Title VI complaints filed against the Central Nebraska Veterans' Home are forwarded to both the NDOT Civil Rights Compliance Manager and the NDOT Transit Program Manager in the Local Assistance Division for processing, in coordination with the NDOT Civil Rights Office. The Central Nebraska Veterans' Home will maintain a log of all complaints received (see **Appendix D**), including the following:

- The date the complaint was filed
- A description of the complaint
- Dates of all significant actions taken
- All correspondence with the complainant or respondent

NDOT will review all complaints for programs and activities receiving FTA financial assistance.

The Central Nebraska Veterans' Home's Title VI complaint procedures and forms are available to the public at <https://veterans.nebraska.gov/cnvh> or by request. The Title VI Complaint Form has been translated in accordance with NDOT's LEP plan and is provided in **Appendix B**.

The following section describes the Central Nebraska Veterans' Home's Title VI complaint procedures.

2.4.1 Filing a Transit-Related Complaint with the Central Nebraska Veterans' Home

Persons Eligible to File

Any person who believes they, or any program beneficiary, has been subjected to unequal treatment or discrimination in their receipt of transit benefits and/or services on the basis of race, color, or national

¹ <https://dot.nebraska.gov/media/rngflsav/ndot-limited-english-proficiency-plan.pdf>

origin may file a Title VI complaint with the Central Nebraska Veterans' Home. Complaints may be filed directly by the affected individual(s) or by a representative on their behalf.

Complaint Substance and Format

To file a complaint with the Central Nebraska Veterans' Home, complainants should complete and submit the agency's Title VI Complaint Form or submit a written letter containing the following information:

- The name(s) of the persons(s) filing the complaint (the complainant)
- Mailing address and phone number of the complainant(s)
- Name of the person(s) or entity alleged to have engaged in discrimination
- Date of the incident
- A detailed description of the incident
- An explanation of how the incident involved discrimination based on race, color, or national origin
- The names, mailing addresses, and phone numbers of witnesses or third parties to the incident
- Any additional information relevant to the complaint

A complaint may be filed on behalf of another person with their expressed written consent. The Title VI Complaint Form or letter of complaint must be signed by the complainant or by their authorized representative.

Time Frame for Filing Complaints

Complaints must be received no more than 180 calendar days after the alleged incident and must involve allegations of discrimination on the basis of race, color, or national origin to be investigated as an unlawful discriminatory practice under Title VI. FTA may grant an extension.

If the Central Nebraska Veterans' Home receives a complaint, the agency will submit the complaint to the NDOT Civil Rights Office for review.

After a complaint is received, an NDOT investigator will determine whether it meets the criteria and whether NDOT has jurisdiction. The complainant will receive an acknowledgment letter by mail about whether the investigation will proceed.

Processing and Investigating Complaints

NDOT strives to complete investigations within 90 days. At any time during the investigation, the investigator may request additional information to assist in the investigation of the incident. The complainant will be given 15 business days to respond to the request for additional information. If NDOT is not contacted by the complainant or does not receive the additional information within 15 business days, NDOT can administratively close the case. The case can be administratively closed if the complainant no longer wants to pursue the case.

Closing a Complaint

After NDOT reviews the complaint, one of two letters will be issued to the complainant: a closure letter or a letter of finding. A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. A letter of findings summarizes the allegations and the

interviews regarding the alleged incident and explains whether any disciplinary action, additional training of the staff member, or other action will occur. Complainants have 30 days to appeal the findings of the investigation.

Contact Information

Complaint forms are available on the main Nebraska Veterans' Home website at <https://veterans.nebraska.gov/nebraska-veterans-homes>. For additional questions regarding the Central Nebraska Veterans' Home's Title VI complaint procedures or Title VI Program, individuals can contact the Central Nebraska Veterans' Home at the information in **Section 1.4**. For more information about NDOT's Title VI complaints procedure or Title VI Program or for assistance placing a complaint in writing or for language assistance, individuals can contact the NDOT Civil Rights Office using the information in **Section 1.4**.

24.2 Central Nebraska Veterans' Home Title VI Complaint Form

See **Appendix B** for a copy of the Central Nebraska Veterans' Home's Title VI Discrimination Complaint Form.

2.5 List of Title VI Investigations, Complaints, and Lawsuits

As of the current Title VI Program submission, no transit-related complaints specific to Title VI were filed; therefore, there are no incidents to track or report. The Central Nebraska Veterans' Home will use the Complaint and Lawsuit Tracking Form in **Appendix D** to conduct an investigation, receive a complaint, or file a lawsuit alleging discrimination on the basis of race, color, or national origin. The Central Nebraska Veterans' Home will report all Title VI complaints to the NDOT Civil Rights Office and FTA.

2.6 Inclusive Public Participation

The Central Nebraska Veterans' Home's public involvement strategy is intended to promote awareness and provide ample opportunity for the public to participate in the agency's transportation decision-making surrounding projects, fares and/or service charges, and application for federal operating assistance. Examples include the following:

- Ensuring the timely dissemination of information to the public
- Considering the input and encouraging the participation of underserved groups in the Central Nebraska Veterans' Home's transportation decision-making process
- Granting timely public notice and an adequate review period through this process
- Facilitating adequate public review of major project revisions
- Granting the opportunity for the review of proposed and final plans
- Encouraging and documenting public comment

For these purposes, the Central Nebraska Veterans' Home will announce and hold a public hearing for a fare increase, major change in service, or capital construction project. Additionally, the Central Nebraska Veterans' Home will provide adequate public notice in the event of a vehicle purchase or when submitting an application for state or federal operating assistance funds with no major service changes or fare increases.

For the purpose of definition, a major change or reduction in service will include a reduction in total system vehicle-hours of 10 percent or more, the elimination of service in an area with a population of

2,000 or more, the elimination of service on 1 or more days of the week, or a change in the type of transit service in an area with a population of 2,000 or more. A fare increase will include an increase in single ride fare for any transit service, including other fare categories, or a decrease in the discount(s) offered for fare categories.

Public hearings will be advertised in a newspaper of general circulation in the geographic area the project will serve at least 15 calendar days in advance of the public hearing, and the comment period will extend 15 days following the public hearing. Notice of hearings will include a concise description of the proposed project and advertise the availability of translated copies of said hearing notice and/or other publicly released meeting documents in accordance with the Central Nebraska Veterans' Home's Language Assistance Plan (LAP). Hearings will be held in accessible locations and at times convenient for public attendance.

Written or verbal comments from the public will be accepted during and for 15 days following the public hearing. These comments will be reviewed as part of the agency's decision-making process surrounding transportation projects.

An agency staff member will record and prepare formal minutes of the public hearing. These minutes will be available to the public on request. Translations of these minutes, as well as other publicly released meeting documents (e.g., announcements, surveys, comment cards), will be made available to members of the public on request. The availability of translated minutes and other public documents will be advertised on the agency's public hearing notice.

2.6.1 Summary of Past Outreach Efforts

Because the Central Nebraska Veterans' Home provides services in addition to transportation, it engages in public outreach strategies that differ from traditional promotional activities for public transit, including partnerships with local agencies and participation in community events. However, the Central Nebraska Veterans' Home will continue to follow the public participation strategy for requests for operating assistance or acquisitions of new technologies, services, or equipment. Reasonable steps will be taken to accommodate LEP persons encountered as a result of this process.

2.7 Providing Meaningful Access to LEP Persons

The Central Nebraska Veterans' Home does not provide transportation to the general public; transportation is provided exclusively to veterans in Kearney. The Central Nebraska Veterans' Home personnel report that contact with LEP persons is rare. However, the staff does report that contact with bilingual members is common, with veterans who speak English as a second language and report that their first language is Spanish, though they are not Spanish-speaking LEP individuals. The following analysis was completed to inform a LAP that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2020–2024 American Community Survey data were analyzed for the agency's service area to inform a four-factor analysis. The data show that the number and proportion of LEP persons in the service area is low, with approximately 90.2 percent of the population estimated to speak only English. These results and the Central Nebraska Veterans' Home four-factor analysis can be found in **Appendix C**.

2.7.1 Service Area Profile Conclusions

Based on the four-factor analysis, the number and proportion of non-English-speaking LEP persons in the Central Nebraska Veterans' Home area is low, with no non-English language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. As a result, the Central Nebraska Veterans' Home has not identified a current need to

develop additional language assistance measures. However, if staff encounter LEP individuals, employees are trained to respond appropriately and provide meaningful access to services using language assistance resources, as detailed in the LAP.

2.7.2 Language Assistance Plan

The Central Nebraska Veterans' Home has access to language assistance resources through publicly available translation applications. If the Central Nebraska Veterans' Home holds a public hearing, distributed meeting documents, including meeting minutes, can be translated using these resources. These services can be used whenever in-person or over-the-phone interpretation is required to assist riders. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Using NDOT resources, the Central Nebraska Veterans' Home's Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the main Nebraska Veterans' Home website.

Additionally, "I Speak" cards will be available at the agency's main office. These cards allow LEP individuals to quickly identify their spoken language when it cannot be easily determined by staff. This tool will help the Central Nebraska Veterans' Home identify language assistance needs as they arise and ensure appropriate support is provided.

2.7.3 Monitoring and Updating the Central Nebraska Veterans' Home LAP

The Central Nebraska Veterans' Home understands that language needs will change as the service area population changes. The agency will revisit the LAP every 3 years and make appropriate changes. Updates may include the following:

- The number of documented LEP person contacts encountered since the last update
- Description of how the needs of LEP persons have been addressed
- Determination of the current LEP population in the agency service area
- Determination of whether the need for language assistance has changed
- Determination of whether local language assistance has been effective and sufficient at meeting needs
- Determination of whether the agency's available outreach resources are sufficient to supply necessary language assistance
- Determination of whether complaints have been received concerning the agency's failure to meet the needs of LEP persons

2.7.4 Employee Training

The Central Nebraska Veterans' Home personnel are required to review the current Title VI Program document and sign a written statement declaring their understanding of their obligation to provide service regardless of race, color, or national origin.

Necessary personnel will be familiar with the agency's procedures for handling a potential Title VI complaint.

Lance McKenney, Business Office Manager, has taken part in the Title VI planning and training sessions through NDOT.

Additional resources for employee training include a Title VI training course hosted by NDOT and ongoing Title VI assistance and oversight provided by the NDOT Civil Rights Office.

2.8 Planning and Advisory Bodies

The Central Nebraska Veterans' Home does not have a transit-related, non-elected planning board, advisory council, or other committee. If such a committee were established prior to the Central Nebraska Veterans' Home's next Title VI program submission, the demographic makeup of the planning board or committee would be summarized, as required.

2.9 Equity Analysis to Determine Site or Location of Facilities

The Central Nebraska Veterans' Home will complete a Title VI equity analysis during the planning stage for construction projects using FTA funds with regard to where a project is located or sited and to compare the impact of siting alternatives. The purpose of the equity analysis is to ensure that the determination of the site or location of facilities was made without denying anyone the benefits of the federally funded program or subjecting anyone to discrimination on the basis of race, color, or national origin. Copies of subsequent equity analyses will be included in NDOT's 2029 Title VI Program submission. The Central Nebraska Veterans' Home will complete an equity analysis for projects related to facilities, including storage facilities, maintenance facilities, and operations centers. NDOT follows the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

As of the publication of this Title VI Program Plan, no new location or existing facility upgrade is programmed for the time period of this plan. If one is programmed after approval, it will be amended into this document as an appendix.

3 Requests for Additional Information

The Central Nebraska Veterans' Home will fully cooperate with any FTA investigation of discrimination complaints to the extent required by Title VI regulations of FTA Circular 4702.1B.

Central Nebraska Veterans' Home Four-Factor Analysis and Language Assistance Plan

Central Nebraska Veterans' Home Four-Factor Analysis

The Central Nebraska Veterans' Home does not provide transportation to the general public; transportation is provided exclusively to veterans in Kearney, Nebraska. The Central Nebraska Veterans' Home personnel report that contact with clients of limited English proficiency (LEP) is rare, with no recent reported contact. However, the staff does report that contact with bilingual members is common, with veterans who speak English as a second language and report that their first language is Spanish, though they are not Spanish-speaking LEP individuals. The following analysis was completed to inform a Language Assistance Plan that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2020–2024 American Community Survey data were analyzed for the agency's service area to inform a four-factor analysis. The data show that the number and proportion of LEP persons in the service area is low, with approximately 90.2 percent of the population estimated to speak only English.

Based on the four-factor analysis, the number and proportion of non-English-speaking LEP persons in the Central Nebraska Veterans' Home area is low, with none of the four language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. Moreover, agency personnel report that contact with LEP persons is rare. As a result, the Central Nebraska Veterans' Home has not identified a current need to develop additional language assistance measures. However, if staff encounter LEP individuals, employees are trained to respond appropriately and provide meaningful access to services using language assistance resources, as detailed in the Language Assistance Plan.

Factor 1: The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or recipient

The Central Nebraska Veterans' Home does not provide transportation to the general public; transportation is provided exclusively to veterans in Kearney. To estimate the number and proportion of LEP individuals in the service area, data from the 2020–2024 American Community Survey were reviewed. For this analysis, "LEP" is defined as individuals who speak English less than "very well." LEP may also refer to individuals with limited ability to read, write, or understand English.

The following explains the Central Nebraska Veterans' Home service area LEP profile:

- The total number of persons over the age of 5 in Kearney is 32,254.
- Approximately 90.2 percent of this total population speak English only.
- Spanish is the largest non-English language group in the service area. This language group is estimated to be 433 LEP persons, or approximately 1.3 percent of the area's total population.
- Other language groups in the service area contained a low number or proportion of LEP persons that did not surpass the Safe Harbor Threshold of 1,000 LEP persons or greater than 5 percent proportion of LEP persons in the service area.

Factor 1a: How LEP persons interact with the agency

The Central Nebraska Veterans' Home does not provide transportation to the public; transportation is provided exclusively to veterans. Any LEP interactions will most likely occur while scheduling or providing transportation.

Factor 1b: Literacy skills of LEP persons in their native language to determine whether the translation of written documents will be an effective practice

No data could be obtained regarding the native language literacy of LEP persons in the Central Nebraska Veterans' Home service area nor does the agency maintain such data at this time. If additional information becomes available, it will be incorporated into future analyses. Based on current resources and practices, the agency does not anticipate significant barriers to service due to literacy limitations.

Factor 1c: Whether LEP persons are underserved due to language barriers

Based on the current interactions with LEP individuals, the agency does not anticipate language to be a barrier to accessing services.

Factor 2: Frequency of contact with LEP persons

The Central Nebraska Veterans' Home personnel report that contact with LEP clients is rare, with no recent reported contact.

Factor 3: Nature and importance of the program, activity, or service

The Central Nebraska Veterans' Home offers transportation for veterans, providing greater mobility and access to critical services. Trip purposes include medical appointments, traveling to work or residences, social activities, and engaging in regular daily activities. The agency deems these services important for its clients' lives.

Factor 4: Resources available and associated costs

The Central Nebraska Veterans' Home has access to Title VI template documents (e.g., Title VI Notice to the Public, Title VI Complaint Form) and general Title VI assistance and oversight.

Language Assistance Plan

The Central Nebraska Veterans' Home has access to language assistance resources through publicly available translation applications. If the Central Nebraska Veterans' Home holds a public hearing, distributed meeting documents, including meeting minutes, can be translated using these resources. These services can be used whenever in-person or over-the-phone interpretation is required to assist riders. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Using NDOT resources, the Central Nebraska Veterans' Home's Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the agency's website.

Additionally, "I Speak" cards will be available at the agency's main office. These cards allow LEP individuals to quickly identify their spoken language when it cannot be easily determined by staff. This

tool will help the Central Nebraska Veterans' Home identify language assistance needs as they arise and ensure appropriate support is provided.
