Omaha Chamber Music Society

A message from the Board President of the Omaha Chamber Music Society, Dani Meier:

“We have a wonderful program that sends musicians out to perform for residents of various communities. We've received funding from the Offutt Officers Spouses Club, and I would love to use it to send a musician or two over to the Eastern Nebraska Veteran's Home later this summer/fall. I'd like to aim for consistent visits once a month if we can make the schedule work! We have the funding to support it through Spring of 2023.”

We are confirmed for September 2nd, October 7th, November 4th, and December 2nd - all at 10 a.m. - at Eastern Nebraska Veterans Home!

Merrymakers

These two ladies provided an entertaining show for the members!

Even though they had to lip sync, they sounded wonderful. Extremely talented performance on the keyboard and guitar. Highly entertaining and interactive with their audience.

Each monthly Merrymaker musical performance is sponsored by: NE State Governor Pete Ricketts and his wife, Susanne Shore.

We are so grateful to them for providing the highest quality entertainers for the members to enjoy!

I remember one morning many years ago when I was working as a CNA in a nursing home and had just helped get Mertie Nelson up and dressed. The last step was to put in her dentures and she immediately spit them out on the floor. I rinsed them off and tried again and got the same result. On further investigation, I discovered that her dentures had been interchanged with her roommate’s dentures. I learned that, with dentures, one size does not fit all people.

I am thankful that we have a heavenly Father who knows us each individually and is able to help us according to our specific needs. And I am thankful for the many staff members here at ENVH who try to get to know our members individually to provide, as best we can, the specific needs of each member.

How much love is appreciated when it provides exactly what is needed!
