

From Chair Holloway

On behalf of all the Veteran Service Organizations that comprise the Nebraska Veterans Council, I would like to thank you for taking part in today's

festivities.

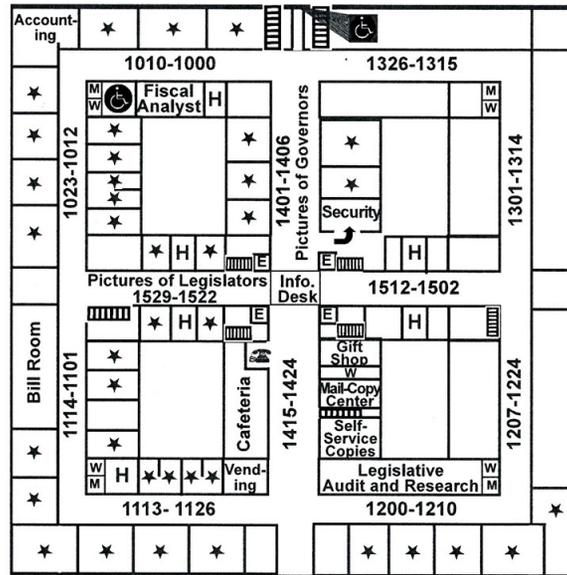

There are several pieces of newly proposed legislation which directly affect veterans throughout

the state of Nebraska. The Council wishes to express our sincere gratitude to those State Senators who are sponsoring these bills. We also wish to thank the veterans who gave their time today to attend this annual event.

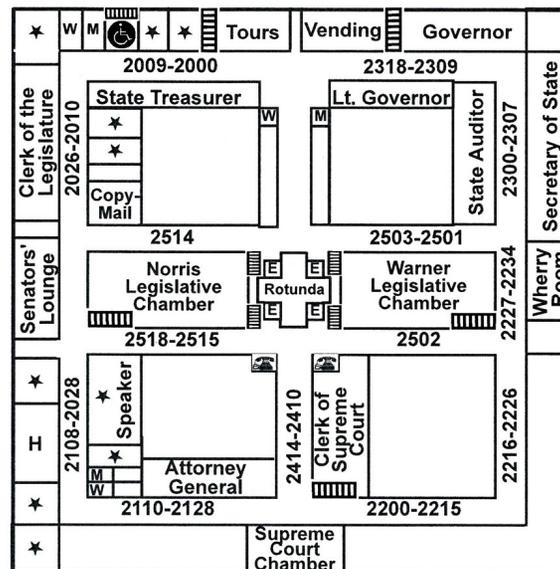

I would welcome any feedback that you would care to share about today's experience.
