

THE NVH OBSERVER

N O R F O L K V E T E R A N S H O M E

NEBRASKA DEPARTMENT OF VETERANS' AFFAIRS

From The Desk of Jerry Eisenhauer, NVH Administrator

Greetings,

As I mentioned in last month's Observer, Ascellon Corporation, who contracts with the USDVA to conduct surveys of State Veterans Homes, held a virtual survey of Norfolk Veterans Home July 25 through July 29. There were a few findings cited following the survey with no findings involving member care. Most if not all of the findings were corrected before the survey was completed. The key to any survey finding is to learn from it and use it as a tool to work towards continual improvement of member care.

Our Teammate and Family Carnival was held August 17 and was an overwhelming success. The weather was beautiful and I think we had a record number of teammates, families and members attend the event. I heard many positive comments from members and families.

A memorial service was held in Heroes Park on August 18 to honor and remember our members who have recently passed away.

Again this year Norfolk Veterans Home was honored to host a patriotic flag exchange on August 27. The exchange took place in our Memorial Flag Plaza and will continue on to its ultimate destination from here.

If you missed this information in last month's Observer, I am no longer sending out notifications when we have teammates or members who are Covid positive. Effective 05-06-2022, you can access our agency website at <https://veterans.nebraska.gov/covid19> to see the latest updates. As always, if there is a change in health status regarding your loved one you will be contacted directly.

Hope everyone enjoyed a wonderful Labor Day weekend.

Sincerely,

Jerry Eisenhauer
Administrator
