

The Committal Shelter is in the foreground. The Administration Building is in the distance. Below are shadow boxes memorializing veterans that have been interred at the cemetery.

Nebraska’s courageous men and women have stepped forward each time our nation’s freedom has been threatened. On ships, in planes, and on the ground citizens of Nebraska have served this country with pride. The state of Nebraska wants to extend its gratitude to all veterans and their families for their military service and the sacrifices made to protect the United States of America. One way of expressing thanks is by providing a state veterans cemetery where our heroes can be memorialized with dignity and honor. Nebraska Veterans Cemetery at Alliance was constructed so that the veterans of Nebraska would have a place to rest among those who have traveled a similar journey. Being interred in this special place assures Nebraska veterans that their sacrifices will never be forgotten.
